STRAWBERRY LEMONADE FOR ONE

Prep time: 5 minutes

Cook time: 5 minutes (for simple syrup, but you can use storebought simple syrup as well)

Serves 1

For the simple syrup

- 1 cup sugar
- 1 cup water

For the lemonade

- 3 medium strawberries, washed and hulled
- 2-3 tablespoons simple syrup
- juice of one lemon
- ice cubes
- water

1. Make the simple syrup: Stir the water and the sugar together in a small saucepan. Bring to a simmer and cook until the sugar completely dissolves. Pour into a jar and refrigerate until ready to use.
2. Place the strawberries and the 2 tablespoons of the simple syrup in a 12-ounce glass. Crush the strawberries with a muddler or the handle of a wooden spoon. Add the lemon juice and stir to combine.
3. Fill the glass with ice cubes. Fill to the top with ice. Stir until well combined. Taste and add more simple syrup if more sweetness is desired.
